What happens if my concern is not resolved?

If for any reason you may not be satisfied with the outcome in accordance with the Customer Contract, a request can be made to escalate the complaint to management for review.

External Dispute Resolution Scheme

We always aim to address complaints and resolve disputes internally. If we are unable to resolve your issue or you are not satisfied with our handling of the complaint, you can seek external independent resolution from the Energy & Water Ombudsman NSW (EWON). EWON provides a free service to customers, assisting to investigate and resolve any disputes that customers may have with us. EWON can be contacted on 1800 246 545 or via their website at www.ewon.com.au

We can learn from good feedback too!

If you're happy with your Hunter Water experience, we'd love to hear from you. Let us know what we did well.
