Complaints handling

Our resolution response will include an explanation of our decision and the name and contact details for follow up enquiries if you are not satisfied.

What if I am unhappy with Hunter Water's response?

If you're not satisfied with the solution offered or action taken by us, you may have the complaint reviewed by a manager. The manager will:

- clarify your complaint and the outcome sought
- ensure that the matter has been properly investigated
- advise you of the estimated timeframe for our proposed action
- indicate what we will do to address the issue
- communicate to you the final decision
- notify you of your rights to external review, if you are not satisfied with our decision.

External Dispute Resolution Scheme

If you're not satisfied with our handling of your complaint after your complaint has been escalated and responded to via our complaints management processes, you can raise your concerns for external dispute resolution with the Energy and Water Ombudsman NSW (EWON).

EWON is an independent dispute resolution body that can investigate and resolve any disputes you have with us. Visit EWON at www.ewon.com.au for more information or contact EWON on 1800 246 545.
