Work in your area

Changed traffic conditions - Christo Road and Cowper Street

Hunter Water is rehabilitating our stormwater network in Georgetown. Work will involve replacing over 300 metres of a stormwater culvert near you in **Christo Road, Georgetown**.

We have engaged a contractor, Abergeldie Complex Infrastructure (Abergeldie), to carry out the work on our behalf. This work will be done in four stages along Christo Road and weather permitting, we're aiming to be finished in mid-2025.

The first stage of this work is due to start soon and will require the temporary closure of the intersection at Christo Road and Cowper Street.

Temporary road closure at the intersection at Christo Road and Cowper Street

There will be temporary road closure at the intersection of Christo Road and Cowper Street from **Monday 23 September 2024**. Please see the map on the next page for the location of the work and closure.

Work will be taking place with changed traffic conditions **between 7am and 5pm Monday to Friday, and Saturdays between 8am and 2pm, for about eight weeks**, assuming the weather is fine and there are no major issues.

How will this affect you?

There will be **reduced parking on Christo Road** between Turner Street and Georgetown Road, and **temporary residents only access into Cowper Street** from Georgetown Road. Access to resident driveways on Christo Road will be maintained during the work.

You may also notice:

- detours in place during the intersection closure
- reduced parking on Christo Road
- partial temporary footpath detours around the work area
- reduced speed limits to 40km/h
- construction traffic signs and traffic controls in place directing vehicle movements, pedestrians and cyclists
- construction workers, trucks, equipment and vehicles in the area
- noise from construction work will be kept to a minimum

Please keep to the speed limits and follow the direction of traffic controllers and signs.

Our aim is to minimise inconvenience to you, and we thank you for your patience during this work.

Contact us

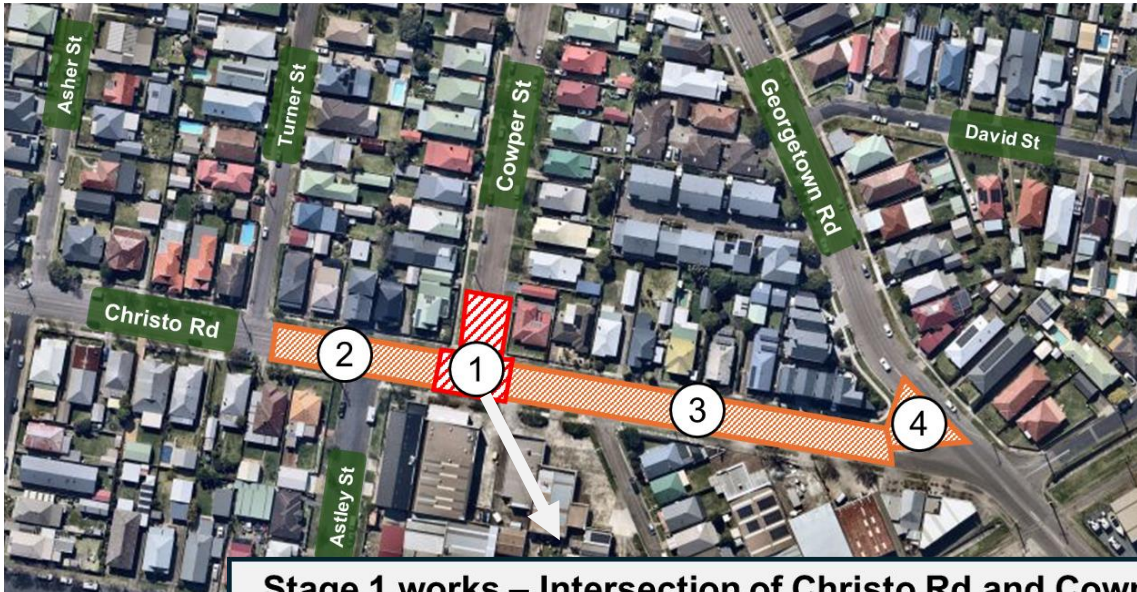

We are here to help and answer any questions you may have about the project. **Please call Carla Brookes at Abergeldie on 0475 049 130 or by email cpcommunity@abergeldie.com.**

Yours sincerely,

William Coady

Project Manager, Abergeldie Complex Infrastructure

Project overview – Work will take place in four stages

- ① **Stage 1**
The road will be closed at the intersection of Christo Rd and Cowper St from 23 September for about 8 weeks. See inset map below.
- ② **Stage 2**
Works on Christo Rd between Cowper and Turner Streets will start after Stage 1 is complete.
- ③ **Stage 3**
Works on Christo Rd between Cowper Street and Georgetown Rd will start after Stage 2 is complete.
- ④ **Stage 4**
Works at the intersection of Christo Rd and Georgetown Rd will start after Stage 3 is complete.

Stage 1 works – Intersection of Christo Rd and Cowper St closed

This work is being delivered by Abergeldie Complex Infrastructure on behalf of Hunter Water.
