 - (B) the Contractor must take all steps possible to mitigate the extra costs incurred by it as a result of the suspension; and

- (e) Subject to clause 10.15, the Contractor will not be entitled to make any Claim against the Principal, arising out of, or in any way in connection with, the cause of delay and the instruction to accelerate other than for the amount which is payable by the Principal under this clause 10.14.

- (b) Within 10 Business Days of the receipt of a "Variation Price Request", the Contractor must provide the Principal's Representative with a written notice in which the Contractor sets out:
 - (i) the adjustment (if any) to the Contract Price to carry out the proposed Variation; and
 - (ii) the effect (if any) which the proposed Variation will have on the then approved program, including each Date for Practical Completion and each LD Milestone Date.

11.2. Variation order

- (a) Whether or not the Principal's Representative has issued a "Variation Price Request" under clause 11.1, the Principal's Representative may at any time prior to the Date of Practical Completion of the Works or the Separable Portion (but without limiting clauses 5.3 or 9.6), instruct the Contractor to carry out a Variation by issuing a written document to the Contractor titled "Variation Order" in which the Principal's Representative will state one of the following:
 - (i) the proposed adjustment to the Contract Price as set out in the Contractor's notice under clause 11.1 (if any) is agreed and the Contract Price will be adjusted accordingly; or
 - (ii) any adjustment to the Contract Price will be determined under clauses 11.3(b) or 11.3(c) (as applicable).
- (b) No Variation will invalidate the Contract irrespective of the nature, extent or value of the works the subject of the Variation.

11.3. Adjustment for Variation

Subject to clause 18.1, the Contract Price will be adjusted for all Variations which have been the subject of a Direction by the Principal's Representative by:

- (a) where clause 11.2(a)(i) applies, the agreed amount;
- (b) where clause 11.2(a)(i) does not apply, an amount determined by the Principal's Representative using any rates or prices which appear in the Payment Schedule to the extent the Principal's Representative determines they are applicable to, or it is reasonable to use them for valuing the Variation; or
- (c) to the extent paragraphs (a) and (b) do not apply, a reasonable amount determined by the Principal's Representative, to which will be added:

- (i) the following percentage or percentages of the amount determined:
 - (A) where the adjustment to the Contract Price is to be an increase, those percentages specified in the Key Details for non-time related overheads and profit; or
 - (B) where the adjustment to the Contract Price is to be a decrease, the percentage specified in the Key Details for overheads and profit; and
- (ii) any reasonable costs and expenses incurred by the Contractor arising from the Variation delaying the Contractor.

For the avoidance of doubt, where the adjustment to the Contract Price is to be a decrease, the percentage specified in the Key Details will be applied to the amount determined to further decrease the Contract Price on account of overheads and profit.

11.4. Omissions and deletions

- (a) If a Variation the subject of a Direction by the Principal's Representative omits or deletes any part of the Works or a Separable Portion, the Principal may thereafter either perform this work itself or employ or engage Other Contractors to perform the omitted or deleted work.
- (b) No Variation will invalidate, or amount to a repudiation of, this Contract.

11.5. Variations requested by Contractor

The Contractor may, for its convenience, request the Principal's Representative to direct a Variation. Any such request must be in writing and must contain the following details:

- (a) a description of the Variation;
- (b) the additional or reduced costs or time involved in the Variation and any proposal for sharing any savings in costs with the Principal including the amount; and
- (c) any benefits which will flow to the Principal from the Variation.

11.6. Principal's Representative's determination

- (a) After a request is made by the Contractor in accordance with clause 11.5, the Principal's Representative will, in its absolute discretion, give a written notice to the Contractor:
 - (i) rejecting the request; or
 - (ii) approving the request either conditionally or unconditionally.
- (b) The Principal's Representative will not be obliged to exercise its discretion for the benefit of the Contractor.

11.7. Variation approved by Principal's Representative

If the Principal's Representative issues a written notice under clause 11.6 approving the Contractor's request under clause 11.5:

- (a) unless otherwise agreed, the Contractor will not be entitled to make a Claim against the Principal arising out of, or in any way in connection with, the Variation;
- (b) if the Contractor's request offered to share savings in cost with the Principal, the Contract Price will be reduced by the amount offered by the Contractor in its request; and
- (c) the Contractor will be responsible for all parts of the Works which are in any way affected by the Variation.

11.8. Options

- (a) The Principal's Representative may, by written notice given to the Contractor at any time within the period stated in Schedule 5, exercise any Option.
- (b) Upon the issue of a notice by the Principal's Representative under paragraph (a), the Principal and the Contractor must perform their obligations under this Contract on the basis that:

 - (ii) the Contract Price will be adjusted in accordance with and to the extent set out in Schedule 5 for the relevant Option.
- (c) The:

- (d) Where:
 - (i) the Principal does not exercise its discretion to exercise an Option; or
 - (ii) an Option involves the deletion or omission of work, the Principal may, either by itself or by third parties, undertake the work contemplated by the relevant Option.
- (e) The exercise of an Option by the Principal's Representative under this clause 11.8 will not:
 - (i) relieve the Contractor from its liabilities or obligations (including those arising out of any warranties given under this Contract);
 - (ii) limit or otherwise affect the Principal's rights against the Contractor or the Contractor's rights against the Principal (including those arising out of any warranties given under this Contract); or
 - (iii) entitle the Contractor to an extension of time to a Date for Practical Completion or LD Milestone Date, whether under this Contract or otherwise according to any Law.

12. PAYMENT

12.1. Payment obligation

Subject to clause 12.9 and to any other right to set-off which the Principal may have, the Principal must pay the Contractor:

- (a) the Contract Price; and
- (b) any other amounts which are payable by the Principal to the Contractor under the Contract.

12.2. Payment claims

- (a) The Contractor must give the Principal's Representative claims for payment on account of the Contract Price and any other amounts payable by the Principal to the Contractor under the Contract:
 - (i) subject to clause 12.4:

- (A) on the 25th day of each month after the Award Date or where that day is not a Business Day, the next Business Day; and
 - (B) at the time required by clause 12.8;
 - (ii) in such form which the Principal's Representative reasonably requires; and
 - (iii) which are based on the Payment Schedule to the extent such prices are relevant.
- (b) The Contractor cannot include in any payment claim under this clause 12.2 a Claim that is barred by clause 18.5.
- (c) The Contractor agrees with the Principal that a payment claim submitted to the Principal's Representative under this clause 12.2 is received by the Principal's Representative as agent for the Principal.

12.3. Payment schedules

- (a) The Principal's Representative must:
- (i) within 10 Business Days of receiving:
 - (A) a payment claim under clause 12.2; or
 - (B) a Final Payment Claim and a Deed of Final Release under clause 12.8 (if not received together, whichever is the later); or

 - (iii) the value of the work completed in accordance with the Contract;
 - (iv) the amount already paid to the Contractor;
 - (v) the amount the Principal is entitled to retain, deduct, withhold or set-off under the Contract;
 - (vi) the amount (if any) which the Principal's Representative believes to be then payable by the Principal to the Contractor on account of the Contract Price and otherwise under the Contract and which the Principal proposes to pay to the Contractor; and
 - (vii) if the amount in paragraph (vi) is less than the amount claimed in the payment claim:
 - (A) the reason why the amount in paragraph (vi) is less than the amount claimed in the payment claim; and
 - (B) if the reason for the difference is that the Principal has retained, deducted, withheld or set-off payment for any reason, the reason for the retention, deduction, withholding or setting-off payment.
- (b) The issue of a payment schedule by the Principal's Representative does not constitute approval of any work nor will it be taken as an admission or evidence that the part of the Works covered by the payment schedule has been satisfactorily carried out in accordance with the Contract.
- (c) Failure by the Principal's Representative to set out in a payment schedule an amount which the Principal is entitled to retain, deduct, withhold or set-off from the amount which would otherwise be payable to the Contractor by the Principal will not prejudice the Principal's right to subsequently exercise its right to retain, deduct, withhold or set-off any amount under the Contract.
- (d) Unless the Principal has notified the Contractor under clause 12.12(g) that it will issue a recipient created tax invoice (**RCTI**) for a taxable supply made by the Contractor to the Principal, the Contractor must, within 2 Business Days after receipt of the payment schedule issued by the

Principal's Representative, provide to the Principal a valid tax invoice that complies with the GST Legislation in respect of that taxable supply for the amount set out as payable in the payment schedule. If clause 12.12(g) applies, the Principal will provide the RCTI for the amount set out as payable in the payment schedule together with the payment schedule.

- (e) The issue of a payment schedule in respect of the Final Payment Claim is conclusive evidence that all necessary adjustments to the Contract Price have been made and all entitlements of the Contractor have been met, except for those required by:
 - (i) arithmetical error; or
 - (ii) resolution of:
 - (A) any Claim made in accordance with clause 12.8(a)(iii);
 - (B) any dispute or difference properly notified under clause 15 prior to the Final Payment Claim; or
 - (C) any issue arising out of the payment schedule in respect of the Final Payment Claim, but only if it is notified to the Principal within 20 Business Days after the date of that payment schedule.
- (f) The Contractor's liability under the Contract or otherwise is not affected by the issue of a payment schedule in respect of a Final Payment Claim.

12.4. Conditions precedent to payment

The Contractor is not entitled to give the Principal a payment claim under clause 12.2 or 12.8, and the Principal is not obliged to make any payment under clause 12.5, unless the Contractor has provided the Principal's Representative with:

12.6. Payment on account

- (a) Any payment schedule or payment of moneys is not:
 - (i) evidence of the value of work or that work has been satisfactorily carried out in accordance with the Contract;
 - (ii) an admission of liability; or
 - (iii) approval by the Principal or the Principal's Representative of the Contractor's performance or compliance with the Contract.
- (b) Payment is only to be taken as payment on account.

12.7. Unfixed goods and materials

- (a) Unfixed goods and materials will not be included in the value of work in a payment schedule under clause 12.3 unless:

- (b) Upon payment of a payment schedule which includes unfixed goods and materials, title in the unfixed goods and materials will vest in the Principal.
- (c) If the Contractor has given the Principal additional security for payment for unfixed goods and materials, the Principal must release it to the Contractor once those goods and materials are incorporated into the Works.
- (d) Any payment to be made to the Contractor by the Principal for undelivered goods and materials (or part thereof), whether pursuant to this clause 12.7 or otherwise, is an advance payment for the purposes of section 415D(9), 434J(8) or 451E(8) of the Corporations Act (as applicable), until the goods and materials (or part thereof) in question have been incorporated into the Works in accordance with the Contract.

12.8. Final Payment Claim

- (a) Within 13 weeks after the Date of Practical Completion in respect of:

- (b) The payment claim and notice required under this clause 12.8 are in addition to the other notices which the Contractor must give to the Principal's Representative under the Contract in order to preserve its entitlements to make any such Claims.
- (c) Any Claim not submitted before or with the Final Payment Claim is barred.
- (d) The Contractor cannot include in the Final Payment Claim any Claims that are barred by clause 18.5.

12.9. Right of set off

- (c) Failure by the Principal to deduct from an amount otherwise due to the Contractor any amount which the Principal is entitled to deduct under this clause 12.9, will not prejudice the Principal's right to subsequently exercise its right of deduction under this clause.
- (d) Clause 12.9 will survive any termination of the Contract.

12.10. Interest

- (a) The Principal will pay simple interest at the 90 day bank bill rate on any amount which has been set out as payable by the Principal's Representative in a payment schedule under clause 12.3, but which is not paid by the Principal within the time required by the Contract.

12.11. SOP Act

- (a) This clause applies if the SOP Act applies to the Contract.
- (b) For the purposes of section 17(3) of the SOP Act, the Contractor irrevocably chooses the Resolution Institute as the "authorised nominating authority" (as that term is defined in the SOP Act) for any adjudication application it may make under the SOP Act in respect of the subject matter of the Contract.

- (g) The parties agree that, if notified in writing by the Principal, the following will apply to taxable supplies made by the Contractor to the Principal under or in connection with the Contract:
 - (i) where the GST Legislation permits, the Principal will issue to the Contractor an RCTI for each taxable supply (other than an Excluded Supply as defined in this clause) made by the Contractor to the Principal under the Contract and each such RCTI will be deemed to be a valid tax invoice issued by the Contractor to the Principal for the purpose of clause 12.12(f).
